

First Festival Travel

First Festival Travel is firmly established as a leading festival, events and group tour operator worldwide. Since the early nineties, we have built a strong reputation for operating well-organised, professional and fun tours to major European festivals, and exotic destinations such as Egypt, Morocco & Turkey. We are the market leaders, often copied but never matched.

Our staff are seasoned travellers, with years combined globe trotting experience. We all share a passion for exploring the world and experiencing new cultures and love nothing more than to impart our knowledge, whether it is about throwing tomatoes in Spain, sharing a stien in Munich, or travelling down the Nile in a felucca.

On the road our office staff are backed by a passionate support team of tour managers and ground crew to ensure we can offer 24-hour assistance when you're on tour with us. Our knowledge of and enthusiasm for our festival events will ensure you get the most from your experience. Our group tours to further-flung destinations boast extensively trained local guides and in Egypt all our guides are qualified Egyptologists! We pride ourselves on personalised service, travel with integrity and above all, we promote good times!

As part of the independent 'Go Travelling Ltd' travel group, who also own 'On The Go Tours', we have bags of travel experience and have built strong long-term relationships in each of our destinations. We can confidently guarantee that what we offer in terms of facilities, well-trained guides, accommodation and other aspects of each trip will meet our exacting standards. We're member of ABTA and AITO and are also fully licensed by the Civil Aviation Authority (ATOL) and TCF bonded.

With offices in London, UK and Brisbane, Australia, we are also represented in New Zealand, South Africa, Canada and USA.
